

Malvern Hills Area of Outstanding Natural Beauty (AONB)

Memorandum of Understanding

April 1st 2015 - March 31st 2019

1. Local Authority Partners

- 1.1 As the local authority partners for the Malvern Hills Area of Outstanding Natural Beauty (AONB) we; Forest of Dean District Council, Gloucestershire County Council, Herefordshire Council, Malvern Hills District Council and Worcestershire County Council, are committed to the purpose and functions of the AONB Partnership. The current AONB Partnership membership, terms of reference, structure and operation can be found at: http://www.malvernhillsaonb.org.uk/aonb_partnership.html.
- 1.2 To help deliver our duties and obligations arising from Part IV of the Countryside and Rights of Way Act 2000, including
 - a) the operation and management of an AONB Partnership, led by a Joint Advisory Committee and an AONB Staff Unit to act on behalf of the Partnership and
 - b) the publishing, reviewing and monitoring of the AONB Management Plan, which we delegate to the AONB Partnership,we hereby formally commit to the 2014-19 Business Plan for the Malvern Hills AONB Unit dated 24/09/14, (Appendix 1) and as previously agreed by the AONB Steering Group on the same date.
- 1.3 Outline financial contributions as agreed by the Steering Group are contained within the Business Plan (page 11 in Appendix 1). These figures are intended to give medium term security, matching Defra's commitment to an AONB funding programme. The funding from Defra is only available to the Partnership to support the purposes of the AONB and to assist delivery of the statutory Management Plan.
- 1.4 Contributions will be paid to Worcestershire County Council, the local authority responsible for the Partnership's finances, by June 30th in each year. Worcestershire County Council will host the Staff Unit on behalf of the Partnership (see 2 below).
- 1.5 Each local authority will provide a recognised lead officer and contact on the AONB Steering Group that oversees the budget management of the AONB Staff Unit. Relevant officers may also support their elected members on the Joint Advisory Committee (JAC).

2. AONB Staff Unit

- 2.1 The Staff Unit will work for the whole AONB Partnership and have its own identity. Activities and Core Functions (as defined in Schedule 1) will be delivered on behalf of the AONB Partnership, rather than that of the Host Authority, or individual Parties. The independence of the AONB Partnership from the Host Authority is particularly necessary when the Partnership is consulted by, or is required to make comments and provide advice on, schemes and activities of its constituent Local Authorities.
- 2.2 The Host Authority remains responsible for exercising the rights and duties of the employer.
- 2.3 Subject to paragraph 3 below, should any third party claims be made against any of the local authority partners arising from the activities of the AONB Partnership, then the local authority partners shall contribute to any settlement or award in relation to the 'Haffey Formula' (see Schedule 2). This formula has been calculated by giving equal weight to the balance of 'population' and 'extent' of the AONB in each partner local authority and is long established and accepted by the partners.
