Route Directions

1. One start is at the station. Take the footbridge over the railway and carry straight on past the small nature reserve on your right. Go into the field and keep the hedge on your left until you meet a path junction.

2. Turn left and keep the hedge on your left.

3. After 400m, do not go through the gate but turn right towards the Hills keeping the hedge on your left.

4. After a further 300m go left over a stile by a gate and walk along a broad track for 140m and then take the right fork. When you meet a small tarmac road turn left and walk along this for 150m, past the first path by a house, until you meet Walwyn Road at a hairpin bend and take a tarmac drive down a hill.

5. At the footpath sign, turn left towards Ryelands and drop down to the left just before the cattle grid following the way markings.

6. After a second stile take the right hand path and then turn left on to a broad track after 100 metres.

7. Mathon Road is reached just after the cricket pitch. Turn right along the road and after 250m turn left on to a footpath.

8. After 100m, pass through a gate and then through two fields keeping the hedge on your left. Having passed the small wood turn left at the end of the field and cross a bridge. After 50m follow the path to the right.

9. Ignore the track to your left and cross two stiles into two large fields where you keep the boundary to your right. Before you reach the third field veer left and head towards the red brick house.

10. At the house, turn 90 degrees to your left to have the house on your right and head across the field towards the left side of the sewerage works.

11. Cross the stile and bridge and bear to the right heading to the right of the sewerage works where you will meet a vehicle track. Follow this until you meet a road.

12. Cross the road with the churchyard on your right and continue straight on along Flappet Lane.

13. After 200m, go over a stile on your left and then through a wood for a few yards. The path then goes through the gap in the hedge 150m ahead. In the second field follow the line of trees and cross a stile so that a hedge is on your right.

14. After a while another stile enables you to cross the ditch and the fence on your right hand side to the next field so that the fence is now on your left.

15. After another 200m, go through a gate on your left and then cross the field diagonally towards the Herefordshire Beacon called British Camp now referred to as the Herefordshire Beacon.
